USA PRODUCTION NEWS
North American Film & TV News

Editorial

As predicted, a rash of February and March pilots (shooting across N. America) have now made their way to production and we have listed over 50 shows in this report. Our research staff expect the number to increase slightly over the next couple of weeks, as more of the March/April Projects are green lit.

As always, we appreciate your feedback and suggestions to make our reports more accurate and useful. Thank you for your subscription and best of luck with the job search.
